

St. Mark Youth Enrichment Heroes Summer Camp

Summer 2024 Outcomes Report Summary

To measure success we follow a results based accountability model which asks not only how much did we do and how well did we do it, but so what? Is anyone's life better off because of what we do?

How much did we do?

- 108 students were enrolled.
 - 74 at the Dubuque campus
 - 34 at the Western Dubuque campus

How well did we do?

- Certified teachers lead classrooms and are trained in St. Mark's social emotional model and state wide best practices.
- Field trips and enrichment activities add context to student's learning.
- 91% of students attended program regularly (more than 60% of days).

Is anyone better off?

- 98% of students that attended the summer program improved or maintained in literacy skills as measured by the Quick Phonics Screener tool.
- 97% of students in the summer programs improved to or maintained within a high level social emotional skills as measured by the Devereux Student Strengths Assessment.

This summer, we worked on relationship skills and managing emotions. He was able to use check ins with adults to tell us how he was feeling and steps to move forward. He worked well with an adult, talking through his thoughts and coming to a decision.
